TEE-RIFIC DAY ON THE COURSE

GOLFING FOR GOOD

We were truly honored to collaborate with Networks Plus for their first ever Giving Back Golf Tournament for the benefit of Big Lakes. The tournament took place on August 22nd at Stagg Hill Golf Club, and it could not have been a more beautiful and sunny day. Fifteen teams came together to compete, connect, and golf for a good cause, including our very own Big Lakes team, the Par-Tee Animals!

The day was filled with great energy, laughter, and plenty of community spirit. The tournament wrapped up with a

sponsored lunch and prizes. We had the wonderful opportunity to ride around the course in golf carts and cheering on all the teams. Their smiles and enthusiasm truly captured what the day was about.

We would like to thank Networks Plus for hosting this event, all the teams for their participation and support, and everyone who helped make this event a success. Together, we raised \$6,443.00! This is what we can accomplish when a community comes together.

A REASON TO SMILE

CELEBRATING HEALTHY HABITS

Oral Health Kansas visited Big Lakes to host their "Feeling Good About Your Smile" sessions! This fun and interactive 90-minute program featured engaging visual and hands-on activities to help educate people on oral hygiene. Some of the activities included how much toothpaste to actually use, the proper way to brush your teeth, the benefits of fluoride, and even how an acid attack on your teeth works.

Our clients enjoyed the experience and gained valuable knowledge. They even received free oral care supplies to take home. It was a wonderful way to encourage healthy habits while they boost their confidence in their smiles!
